Transforming lives through the work of the Holy Spirit in a vital relationship with Jesus Christ for the glory of God. To become a vibrant community of faith so that Christ's redemptive purposes can be carried out in the world.

About Student Life Camp

Since 1993, Student Life has served churches through inter-denominational Christian summer camps, conferences, and resources. We strive to support your student ministry with Gospel-centered experiences that transform students into devoted followers of Jesus Christ.

Student Life exists to help people know Christ through His Word. We believe God's Word is relevant and instructive for the challenges students face today. Our camps inspire students through engaging worship, sound biblical teaching, and community-building in small group Bible studies.

We believe discipleship best occurs within the context of the local church. Relationships formed at camp between students and their leaders serve as a catalyst to discipleship that continues long after camp ends. We would be honored to have the opportunity to partner with your group to make Jesus known in the lives of your students.

Cost & Breakdown

The cost of this trip is \$543 and it includes meals, lodging, a camp T-shirt, Bible study material, and all Student Life programming. Things like the Student Life Store and snack shops/vending machines (availability varies by campus) are not included.

Students are asked to bring their own spending money for extra items, such as souvenirs. However, extra spending money is not necessary to bring, as the \$543 will cover all they will need for the trip.
